

**McGill University, Faculty of Medicine**

**Curriculum Vitae**

Date of Last Revision: March 3, 2015

**A. IDENTIFICATION**

**Name:** Eric A. Latimer  
**Office Address:** Perry 3C  
Douglas Mental Health University Institute  
6875 LaSalle Boulevard  
Montréal, Québec H4H 1R3  
**Telephone:** (514) 761-6131 ext. 2351  
**Fax:** (514) 762-3049  
**E-mail:** [eric.latimer@mcgill.ca](mailto:eric.latimer@mcgill.ca)  
**Date of birth:** December 5, 1956  
**Citizenship:** Canadian  
**Home Address:** 1499 Rolland Street  
Verdun, Québec  
Canada H4H 2G7

**B. EDUCATION**

**Undergraduate**

B.A.Sc. Systems Design Engineering (1979)  
University of Waterloo, Ontario (1975-1979)

**Graduate**

M.S. Sciences Économiques (1987), Université de Montréal (1983-1984)  
M.S. Economics (1986), Carnegie Mellon University, Pittsburgh, PA (1984-1986)  
Ph.D. Economics (1989), Carnegie Mellon University, Pittsburgh, PA (1986-1989)  
Thesis topic : “The level of auto safety belt use : Estimation of its relationship with fatalities, and evidence of regularities in its determination”. (Lester B. Lave, supervisor).

**C. APPOINTMENTS**

**University - current**

Jul 13 - Professor, Department of Psychiatry, Faculty of Medicine, McGill University  
Jun 97 – Membre Associé, Département d’Administration de la Santé, Faculté de Médecine, Université de Montréal

Dec 96 – Associate Member, Department of Epidemiology and Biostatistics,  
Faculty of Medicine, McGill University

**University – previous**

Jun 06 – Jun 13 Associate Professor, Department of Psychiatry, Faculty of  
Medicine, McGill University

Sep 09 – Aug 12 Honorary Associate Professor, School of Sociology and Public  
Policy, University of Nottingham, U.K.

Sep 07 – Aug 08 Visiting Academic, Personal Social Services Research Unit (UKC  
site), University of Kent at Canterbury, Canterbury, UK

Sep 07 – Aug 08 Visiting Professor, Personal Social Services Research Unit (LSE  
site), Health and Social Care, London School of Economics and  
Political Science, London, UK

Sep 07 – Aug 08 Senior Visiting Research Fellow, Centre for the Economics of  
Mental Health, David Goldberg Centre for Health Services and  
Policy Research Institute of Psychiatry, King's College London

Jun 01 – May 06 Assistant Professor (tenure track), Department of Psychiatry,  
Faculty of Medicine, McGill University

Mar 96 – May 01 Assistant Professor (non tenure-track), Department of Psychiatry,  
Faculty of Medicine, McGill University

Sep 89 – Feb 96 Assistant Professor of Health Economics, Department of Health  
Policy and Management, Harvard University School of Public  
Health

**Hospital**

Jan 13 – May 14 Acting Director, Services, Policy and Population Health Research,  
Douglas Institute Research Centre

May 02 – Sep 08 Director, Services, Policy and Population Health Research,  
Douglas Institute Research Centre

Mar 96 – Research Scientist, Douglas Institute Research Centre

**Other**

Mar 96 - Jun 98 Consulting Researcher, Québec Health Technology  
Assessment Council (on temporary loan, 40% time, from Douglas  
Hospital Research Centre)

**D. SPECIAL HONOURS, AWARDS, RECOGNITION**

2012 – 2014 J. A. Bombardier Fellowship in the Quality of Mental Health Care

1987 – 1988 John Olin Graduate Fellowship, Tuition + \$10,000

1984 – 1987 William Larimer Mellon Graduate Fellowship, Tuition + \$21,600  
stipend over 3 years.

**E. TEACHING****E.1 McGill Courses***E.1.1 Teaching at McGill*

<b>Department</b>	<b>Course title</b>	<b>Hours per year</b>	<b>Year(s)</b>	<b>Evaluations available?</b>
Epidemiology, Biostatistics and Occupational Health	EPIB 528 Economic evaluation of health programs	39	2009-2012, 2014	Yes
Epidemiology, Biostatistics and Occupational Health	EPIB 591 Economics for Health Services Research and Policy	39	2014	No (too few respondents)
Epidemiology, Biostatistics and Occupational Health	EPIB612 Introduction to Public Health Practice (Guest lecture)	1.5	2014,2015	No
Epidemiology, Biostatistics and Occupational Health	EPIB 642 Introduction to Health Technology Assessment (Guest lecture)	1.5	2012 - 2014	No
Psychiatry	Workshop on Social and Community Psychiatry (co-taught with Rob Whitley)	12	2014	Yes
Faculty of Medicine – Course in Evidence-Based Medicine	Introduction to economic evaluation of health care interventions	1	2014	No
Economics	ECON 440 Economics and mental health	1.5	2012	No
Psychiatry	PSYT 503 Mental health services research	3 (I coordinated and participated in this class)	2012	No
Faculty of Law	LAWG 517	1.5	2009	No

Epidemiology, Biostatistics and Occupational Health	EPIB-591 Economic evaluation of health programmes	39	2008	Yes
Social Studies of Medicine	INDS-406 Medicine and Society elective <i>Economics for Health Care Policy</i>	16, except in 2004 (reading course only in 2004 due to rescheduling of 4 <sup>th</sup> year medical school following SARS epidemic). (sole instructor)	2003-2007	Yes
Psychiatry - Summer programme in psychiatric epidemiology	PSYT 713 Psychiatric Epidemiology (one lecture on evaluation of interventions)	1.5	1997-2013 except 2008	From 2002 onwards
Faculty of Medicine – Course in Evidence-Based Medicine	Evidence-Based Medicine (one lecture on economic evaluation)	1	2005	Yes
Epidemiology, Biostatistics and Occupational Health	EPIB-677 <i>Economics for Health Policy</i>	33 (sole instructor with occasional guest lecturer)	2002-2005	Yes
Psychiatry – Summer programme in transcultural psychiatry	<i>Economic evaluation in psychiatry</i>	12 in 2002-2004; 7 in 1997-2001 (sole instructor)	1997-2004	For 2001 - 2004
Economics	154-744B <i>Graduate health economics seminar</i> (Guest lectures, on different topics, seminar led by Lee Soderstrom)	1.5	1998 - 2002	No
Experimental Medicine	516-640C <i>Economic evaluation of medical technologies</i>	1.5	1998-2000	For 2000 only

*E.1.2 Courses taught in Chelyabinsk, Russia in context of McGill – Chelyabinsk State Medical Academy cooperation project\**

<b>Course title</b>	<b>Hours per year</b>	<b>Year(s)</b>	<b>Evaluations available?</b>
Biostatistics I	39 (sole instructor)	2002	No
Biostatistics II	39 (sole instructor)	2001	No

\* Project funded by Canadian International Development Agency; Dr Charles Larson, (formerly) Faculty of Medicine, Principal investigator and Project coordinator.

*E.1.3 Other teaching (since arriving at McGill in 1996)*

1. “Mental health policy for adults with severe mental illness”, Dawson College Department of Social Work, November 1 2010.
2. « L’intégration à l’emploi pour personnes atteintes de troubles mentaux graves » (*Vocational integration for people with severe mental illness*), 1 ½ hours, seminar on psychiatric rehabilitation given to Université de Montréal graduate students, May 31 2006.
3. « Analyse coût-efficacité d’un programme de soutien à l’emploi évalué au moyen d’un essai randomisé: Comment s’y prendre? » (*Cost-effectiveness analysis of a supported employment program evaluated using a randomized controlled trial : How should one go about it?*), 3 hours, as part of ASA 6175, Département d’Administration de la Santé, Université de Montréal, November 21 2005.
4. “The demand for health services: Basic theory and some empirical observations”, Research in Addictions and Mental Health Policy and Services (RAMHPS) Fall Institute (see below), 2 hours, Montreal, October 13 2004.
5. “Applicabilité au Québec du modèle de suivi intensif en équipe pour les personnes atteintes de troubles mentaux persistants et particulièrement graves,” (*Applicability to Québec of the ACT model for people with persistent and particularly severe mental illness*) MSO-6080 : Santé mentale, Université de Montréal, 1.5 hours, December 11 1998.
6. “Discounting in the assessment of screening programs,” Post-conference course, International Society for Technology Assessment in Health Care (ISTAHC) conference, 1.5 hours, Montreal, June 11 1998.
7. “The Canadian health care system”, Special class to University of California medical faculty on study tour of the Canadian health care system, 1 hour, Montreal, March 14 1998.

**E.2 Research trainees supervised**

*E.2.1 Visiting scholars*

Christine Besse, M.D., *Supported employment, destigmatization and stress*, April 2014 – August 2014.

*E.2.1 Post-doctoral*

Co-supervisor (Sheilagh Hodgins, Université de Montréal, Primary supervisor), Chantal Perras, *The lifetime costs of criminal offenders: a Canadian study of a sample of males followed from age 6 to 30*, 2012 - 2014

Supervisor, Vaishali Patel, 2006 – 2007

Co-supervisor, Helen-Maria Vasiliadis, 2006 – (FRSQ post-doctoral fellowship, 2006 – 2008).

Co-supervisor, Pasquale Roberge, 2004 – (FRSQ post-doctoral fellowship, 2006 – 2008).

*E.2.2 Fellowships*

Supervisor, Olivier Farmer, M.D., McGill University and Douglas Hospital, *Measurement of coercion in community psychiatry*, January – June 2003.

### E.2.3 Electives

Supervisor, Bettina Choo, M.D., McGill University and Douglas Mental Health University Institute, *Effects of Housing First on substance use patterns*, January 2015 -

Supervisor, Vincent Laliberté, M.D., McGill University and Douglas Mental Health University Institute, *Effects of Housing First on medication use patterns*, September 2014 -

Supervisor, Marisa Derman, M.D., McGill University and Douglas Mental Health University Institute, *Homelessness policies in Canada, the United States and the United Kingdom: A review*, January - August 2011.

### E.2.4 Doctoral

Supervisor (co-supervisor: Rob Whitley), Daniel Poremski, Department of Psychiatry, McGill University, *Evidence-Based Supported Employment for People with Mental Illness Recently Housed by a Housing First Project: Helping Homeless People Achieve their Goals of Employment*, September 2011 – October 2014.

Co-supervisor (Liane Feldman, Primary supervisor), Larry Fu-Hua Lee, Department of Surgery, McGill University, *The economics of enhanced recovery*, 2012 – January 2015.

Co-supervisor, Daniele Ambrosini, Department of Psychiatry, McGill University, *Mixed methods evaluation of psychiatric advance directives*, 2006 - 2011, Ph.D. 2011.

Co-supervisor, Jim Crall, Harvard University School of Public Health, Department of Health Policy and Management, *Quality of care and prices in oral health services*, 1992 – 1995, Sc.D. 1995.

Co-supervisor, Deborah Taira, Harvard University School of Public Health, Department of Health Policy and Management, *Basing physician compensation on patient evaluations of care*, 1993-1995, Sc.D. 1995.

Co-supervisor, Dayl Donaldson, Harvard University School of Public Health, Department of Health Policy and Management, *Applications of economic analysis to health policy issues in developing countries*, 1991-1995, Sc.D. 1995

Co-supervisor, Bonnie Blanchfield, Harvard University School of Public Health, Department of Health Policy and Management, *Determinants of hospital capital expenditures and the effects of hospital payment environment*, 1991-1994, Sc.D. 1994.

Co-supervisor, Nancy Taplin McCall, Harvard University School of Public Health, Department of Health Policy and Management, *Physician response to Medicare relative price changes*, 1989-1992, Sc.D. 1992.

### E.2.5 Master's

Co-supervisor (Primary supervisor: Sonia Laszlo), Srishti Kumar, Department of Economics, *Implications of the At Home/Chez Soi study for international development*, Sept 2014 – January 2015

Supervisor, Guido Powell, Department of Epidemiology, Biostatistics and Occupational Health, *The role of response shift in measurement of quality of life in the At Home/Chez Soi study*, September 2013 -

Supervisor, Angela Ly, Département d'Administration de la Santé, Université de Montréal, 2011 – 2014, *Évaluation économique du programme Housing First auprès de personnes itinérantes ayant des*

*troubles de santé mentale : Analyse après deux ans de suivi à Montréal dans le cadre du projet At Home / Chez Soi*, MHA (Masters in Health Administration) August 2014.

Supervisor, Yuxi Shi, McGill University Department of Psychiatry, 2009 – 2011, *Cost-effectiveness of the Individual Placement and Support Model of Supported Employment for People with Severe Mental Illness: Results from a Canadian Randomized Trial*, M.Sc. 2012

Supervisor, Adonia Naidu, McGill University Department of Epidemiology, Biostatistics and Occupational Health, 2006 - 2009, *Incidence of Type II diabetes After Initiation of Antipsychotic Drug Therapy in Quebec Welfare Recipients, 1993 – 2004*, M.Sc. 2009.

Co-supervisor, Andrea Martin, McGill University Department of Psychiatry, *Burnout and job satisfaction among mental health professionals in case management teams*, M.Sc. 2001.

Co-supervisor, Catherine Sarrazin, Département des Sciences Infirmières, Université de Montréal, *Suivi dans la communauté et fardeau des aidants naturels* (Case management and family caregiver burden), M.Sc. 2000.

#### *E.2.6 Medical students*

Research mentor, Research Fundamentals course, Gabriel Devlin, *Quantifying the health and economic costs associated with off-label drug prescribing in Quebec: a retrospective analysis of public health insurance data*, May – June 2014.

#### *E.2.6 Training grants*

1. Co-Investigator (Elliot Goldner, P.I.), “Building capacity in mental health and addictions services and policy research”, Program entitled “Research in Addictions and Mental Health Policy and Services” (RAMHPS), Canadian Institutes of Health Research, April 2003 – March 2009, \$1,800,000.
  - Coordination of McGill site of 6 to 8 pan-Canadian videoconferenced seminars per year, 2003 - 2007.
  - Mentor for Todd Jenkins, former McGill Department of Psychiatry doctoral student (co-supervisor with Anne Crocker), 2004-2007; and for Vaishali Patel (see above).
2. Co-Investigator (Laurence Kirmayer, P.I.), “Culture and mental health services”, April 2003 – March 2009, \$1,664,436.
3. See above for classes taught in context of Division of Transcultural Psychiatry

### **E.3 Invited lectures, talks, presentations (other than at scientific conferences – see section G)**

#### *E.3.1 – Local and National*

1. “Costing social services in the At Home/Chez Soi research and demonstration project of Housing First for homeless people with mental illness”, On the State of the Art in Costing Methods:

Workshop, Institute of Health Economics, Edmonton, AB, January 21-22 2015.

2. “Identifying value in Housing First: An economic analysis of the At Home / Chez Soi study findings”, 2014 Community Forum on Ending Homelessness, Ottawa, ON, November 26 2014.
3. “Résultats du projet Chez Soi de Montréal”, conference joining research and field staff of Housing First programs from Montreal and Brussels : Le projet Chez soi du point de vue des services sociaux et de santé en première ligne: qu’apprenons-nous pour l’intervention auprès des populations itinérantes ou à risque de le devenir?, CSSS Jeanne-Mance, Montréal, November 21 2014.
4. “What are the effects of supported employment for people with severe mental illness? Consensus development conference on improving mental health transitions, Institute of Health Economics, Edmonton, Alberta, November 4-6 2014.
5. “Résultats du projet Chez Soi de Montréal”, sponsored by the research group CIRANO, Montréal, June 19 2014
6. “Results of the At Home/Chez Soi study of Housing First”, St Mary’s Hospital, Montreal, May 29 2014.
7. “Résultats de la recherche évaluative sur le modèle de soutien à l’emploi IPS”, group of European trainees in the IPS model of supported employment, May 19 2014.
8. « Notes préliminaires sur les interventions à privilégier par les équipes SI et SIV pour la clientèle présentant des troubles concomitants », Centre national d’excellence en santé mentale, Montréal, May 7 2014.
9. “Supported employment and supported housing”, Workshop: “Schizophrenia in Canada: Towards a more collaborative model of care”, sponsored by Canada’s Public Policy Forum, McGill University, April 23 2014.
10. “Évaluation économique des services de santé mentale : Application aux interventions psychosociales”, Hôpital Le Gardeur, Lanaudière, March 17 2014
11. “Main results of the At Home/Chez Soi study of Housing First”, Department of Epidemiology and Biostatistics, McGill University, December 2 2013.
12. (Invited plenary speaker) “Main results of the At Home/Chez Soi study of Housing First”, Canadian Mental Health Association annual conference, Ottawa, Ontario, October 18 2013.
13. (With Mireille Valois) “The Individual Placement and Support model of supported employment for people with mental illness who want to work in competitive settings”, Canadian Mental Health Association annual conference, Ottawa, Ontario, October 17 2013.
14. « Le modèle des forces: Fondements théoriques, principes et résultats empiriques », (The strengths model : Theoretical foundations, principles and empirical evidence), Colloque provincial sur le soutien d’intensité variable (provincial conference on intensive case management), Québec, Québec, October 4 2013.
15. “Can homeless people with mental illness and substance abuse issues be housed right away in apartments of their choice? Lessons from the pan-Canadian At Home/Chez Soi study of Housing First”, The North American Housing and HIV/AIDS Research Summit, Montréal, September 26 2013. (Invited plenary speaker.)

16. “Advocating for better services for people with serious mental illness in Québec: In search of the Holy Grail?”, The North American Housing and HIV/AIDS Research Summit VII, Montréal, September 27 2013.
17. « Résultats préliminaires du projet Chez Soi de Montréal », Journée psychiatrie urbaine – Département de psychiatrie du Centre hospitalier de l’Université de Montréal, Montréal, le 12 avril 2013.
18. “At Home/Chez Soi National Economic Results webinar”, At Home/Chez Soi national webinar, October 15 2013.
19. « Évaluation de l’impact économique de l’intervention *Housing First* auprès de personnes itinérantes avec des problèmes de santé mentale: Analyse préliminaire après 1 an de suivi à Montréal », Colloque sur la recherche scientifique préhospitalière, Montréal, November 23 2012.
20. (with Daniel Poremski, Gabrielle Roberge and Véronique St-Pierre), « Recouvrer sa citoyenneté par l’emploi quand on a des troubles mentaux et qu’on vient de quitter l’itinérance », Association québécoise pour la réadaptation psychosociale, Québec, Québec, October 31 2012.
21. « Pratiques fondées sur des données probantes dans le contexte des politiques de santé mentale québécoises », Practices to support recovery conference, Douglas Institute, June 7 2012.
22. (*Invited plenary speaker*) “En avoir pour son argent : Réconcilier l’accessibilité aux pratiques fondées sur des données probantes, le rétablissement et l’efficience”, Journées Annuelles de la Santé Mentale, Montréal, 14 mai 2012.
23. “Reforming the health care system from a mental health and economic perspective: a few thoughts”, Comparative Healthcare Systems Program Annual conference, McGill University, March 21 2012.
24. “Why better need not be more expensive”, McGill Institute for Health Policy, November 23 2011.
25. « Beau, bon et pas cher : Réconcilier le rétablissement, les pratiques fondées sur des données probantes, et la maîtrise des coûts », Journée des Instituts, Montréal, November 21 2011.
26. (With Sonia Côté, Claire Thiboutot, Bertrand Gagné and Sylvain d’Auteuil), « État d’avancement du projet Chez Soi », Réseau d’aide aux personnes seules et itinérantes de Montréal (RAPSIM), June 17 2011.
27. “Cost-effectiveness analysis of the Emergency Room Follow-Up Team at the Montreal Children’s Hospital,” Montreal Children’s Hospital Grand Rounds, April 29 2011.
28. (With Marie-Sylvie St-Pierre and Mireille Valois) « IPS, données probantes, coûts et pertinence locale » (*IPS, evidence, costs and local relevance*), St-Eustache Hospital, St-Eustache Québec, December 6 2010.
29. (With Rob Whitley) “Pratiques fondées sur les données probantes et rétablissement” (*Evidence-based practices and recovery*), XVe colloque de l’Association québécoise pour la réadaptation psychosociale, Montreal, November 10 2010.
30. (With Sonia Côté) « Projet de recherche et de démonstration sur l’itinérance et la santé mentale » (*Research and demonstration project on homelessness and mental health*), Canadian Housing Renewal Association congress, Québec, Québec, June 3 2010.

31. “Pratiques psychosociales fondées sur des données probantes et le Plan d’action en santé mentale » (*Evidence-based psychosocial practices and the Québec mental health action plan*), (Plenary presentation), *Journées bi-annuelles de santé mentale* (Bi-annual Québec mental health services conference), Montreal, May 12 2010.
32. “Individual Placement and Support as a potential means of helping homeless people with mental illness integrate the work force”, *Into the Light Conference* (sponsored by the Mental Health Commission of Canada), Vancouver, B.C., November 29 2009.
33. « Services de santé mentale et rationalité économique: À la recherche d’une allocation des ressources plus éthique » (*Mental health services and economic rationality : In search of a more ethical allocation of resources*), Colloque inter-établissements « Enjeux éthiques en santé mentale – un temps de réflexion », (*Interhospital colloquium, « Ethical issues in mental health : a time for reflection »*) Laval, Québec, October 22 2009
34. « Suivi intensif en équipe: Évolution de la notion de fidélité et implications pratiques » (*Assertive Community Treatment : Evolution of the concept of fidelity and practical implications*), Journée de ressourcement des chefs d’équipes de suivi intensif (*Training day for ACT team leaders*), Québec, Québec, May 22 2009.
35. « Une année en Angleterre : Observations sur les services et la recherche en santé mentale » (A year in England : Observations on mental health services and research), Douglas Hospital Grand Rounds, March 4 2009.
36. “The limits of economic rationality and the need for ethical review in funding mental health services”, McGill Health and Law Conference (presentation as part of a plenary panel), McGill University, February 7 2009.
37. « Pertinence pour le Québec du modèle de soutien à l’emploi Individual Placement and Support (IPS) pour les personnes qui ont des troubles mentaux graves » (*Relevance for Québec of the Individual Placement and Support model of supported employment for people with severe mental illness*), Hôpital Louis-Hippolyte Lafontaine, Montréal, January 12 2009.
38. « Indicateurs du comportement prescripteur à l’égard des personnes qui ont la schizophrénie et lien avec les jours d’hospitalisation » (*Prescribing behavior indicators with regards to people with schizophrenia and link to days hospitalized*), Centre de Santé et Services sociaux d’Ahuntsic et Montréal-Nord, le 4 juin 2007.
39. “Development of quality indicators for the prescribing of antipsychotic medications in the treatment of schizophrenia,” videoconferenced presentation (with sites in Vancouver, Calgary, Saskatoon, Toronto, Thunderbay, and Montreal), Research in Addictions and Mental Health Policy and Services, May 30, 2007.
40. (With Anne Doyon, Jacques Rhéaume and Deborah Thomson), « Le suivi intensif en équipe au Québec en 2007: Progrès, défis et vision pour l’avenir » (*Assertive Community Treatment in Québec in 2007 : Progress, challenges and vision for the future*), Journées bi-annuelles de santé mentale, Montréal, le 18 mai 2007.
41. (with Jacques Rhéaume, Deborah Thomson and Anne Doyon) « Le suivi intensif en équipe au Québec en 2007: Progrès, défis et vision pour l’avenir », Journées bi-annuelles de santé mentale, Montréal, 18 mai 2007.
42. « Implantation de pratiques fondées sur les données probantes pour les personnes qui ont des

- troubles mentaux graves au Québec : Considérations organisationnelles et économiques » (*Implementation of evidence-based practices for people with severe mental illness in Québec*), Conference on strategies to increase the quality of mental health services for people with severe mental illness, Douglas Institute, May 4 2007.
43. (With Claude Descombes and Jacques Desrosiers) « Quelques réflexions supplémentaires sur la place d'équipes PACT dans un système de santé mentale » (*A few additional thoughts on the place of ACT teams in a mental health system*), Hôpital Louis-Hippolyte Lafontaine, le 6 avril 2007.
44. « Utilisation de médicaments antipsychotiques au Québec: Résultats d'entrevues qualitatives suivies d'analyses quantitatives » (*Use of antipsychotic medications in Québec : Results of qualitative interviews followed by quantitative analyses*), Colloque sur la gestion autonome de la médication, Montréal, Québec, April 5 2007.
45. (With Claude Descombes and Gilbert Tremblay), "Équipe ACT (Assertive Community Treatment): Présentation de l'équipe", Forum sur le suivi intensif et le soutien d'intensité variable dans la communauté, Montréal, March 29 2007.
46. « Utilisation de médicaments antipsychotiques au Québec: explorations empiriques à partir de bases de données gouvernementales » (*Use of antipsychotic medications in Québec : Empirical explorations using government databases*), Groupe de recherche MéOS (le médicament comme objet social), March 27 2007.
47. "Patterns of use of antipsychotic medications for people with schizophrenia in Québec in 2004: Preliminary results", Division of Clinical Epidemiology, McGill University Health Centre, March 15 2007.
48. "Patterns of use of antipsychotic medications for people with schizophrenia in Québec in 2004: Preliminary results", St Mary's Hospital, Department of Psychiatry, March 14 2007.
49. (With Nicole Lahaie, Marie-Hélène Pelletier, Claude Therrien and Marie-Sylvie St-Pierre) "Le modèle IPS (*Individual Placement and Support*) de soutien à l'emploi pour les personnes qui ont des troubles mentaux graves: intégrer l'insertion en emploi régulier au cœur de l'intervention clinique » (*The IPS model of supported employment for people with severe mental illness : integrating vocational rehabilitation into the core of clinical interventions*), Centre Hospitalier Universitaire de Montréal, December 6 2006.
50. (With David Bloom, Nicole Lahaie and Marie-Sylvie St-Pierre) "Le modèle IPS (*Individual Placement and Support*) de soutien à l'emploi pour les personnes qui ont des troubles mentaux graves: intégrer l'insertion en emploi régulier au cœur de l'intervention clinique » (*The IPS model of supported employment for people with severe mental illness : integrating vocational rehabilitation into the core of clinical interventions*), Association des médecins psychiatres du Québec, Québec, QC, June 15 2006.
51. « Le suivi intensif à l'heure du rétablissement: vers de nouveaux horizons » (*Assertive community treatment and the recovery movement : towards new horizons*), as part of roundtable discussion, Conference of the Association Québécoise pour la Réadaptation Psychosociale, Chicoutimi, May 26 2006.
52. (With Nicole Lahaie and Marie-Hélène Pelletier), « Le modèle IPS de soutien à l'emploi : Implantation à l'Hôpital Douglas, résultats et implications » (*The IPS model of supported*

- employment : implementation at the Douglas hospital, results and implications*), Conference of the Association Québécoise pour la Réadaptation Psychosociale, Chicoutimi, May 25 2006.
53. « Augmenter l'accès au suivi intensif en équipe et au soutien à l'emploi au Québec: Pourquoi, comment, enjeux », Groupe de Recherche sur l'Intégration Sociale, l'Organisation des Services et l'Évolution en Santé Mentale, Québec, le 22 février 2006.
  54. (With Marc Corbière and Leigh Thompson in Vancouver, BC) "Supported employment", pan-Canadian audio conference call, organized by the Consortium for Applied Research and Evaluation in Mental Health, University of Western Ontario, January 13 2006.
  55. (With Pierre Rouillard and Roger Pelletier), « Suivi intensif en équipe dans la communauté : recherche d'un équilibre entre les standards et l'innovation » (*Assertive community treatment : in search of a balance between standards and innovation*), Colloque inter-établissements sur les meilleures pratiques en psychiatrie (*Conference on best practices in psychiatry for Québec psychiatric hospitals*), Québec city, November 14, 2005.
  56. (With Nicole Lahaie, Marie-Sylvie St Pierre, Claude Therrien, Marie-Hélène Pelletier and Daniel Gélinas), « Favoriser le rétablissement des clients de suivi intensif grâce au modèle de soutien à l'emploi IPS » (*Supporting the recovery of people with severe mental illness with the IPS (Individual Placement and Support) model of supported employment*), Québec ACT/Intensive case management annual conference, Robert-Giffard Hospital, Québec city, October 13, 2005.
  57. "Services de santé mentale pour les jeunes et évaluation économique: Apprivoiser le renard" (*Mental health services for children and youth and economic evaluation: Taming the fox*), Douglas hospital child psychiatry division, March 9 2005.
  58. "Services de santé mentale pour les jeunes et évaluation économique: Apprivoiser le renard" (*Mental health services for children and youth and economic evaluation: Taming the fox*), Carrefour scientifique « Épidémiologie et recherche clinique en santé mentale : Interroger autrement nos pratiques cliniques », Hôpital Ste-Justine, Montréal, February 25 2005.
  59. (With Nicole Lahaie, Marie-Sylvie St Pierre, Claude Therrien, Myra Piat and Stéphane Grenier), « Le modèle IPS de soutien à l'emploi pour les personnes atteintes de troubles mentaux graves: mise en œuvre, pratique quotidienne, effets sur les clients, et implications pour les politiques d'emploi » (*The IPS (Individual Placement and Support) model of supported employment for people with severe mental illness : implementation, daily practice, effects on client, and implications for employment policies*), Louis-Hippolyte Lafontaine Hospital, Montreal, February 3 2005.
  60. (With Nicole Lahaie and Marie-Sylvie St Pierre), "The individual placement and support model of supported employment to help people with severe mental illness find and maintain competitive employment: Implementation at the Douglas Hospital and results of a Randomized Clinical Trial", McGill University Health Centre Psychiatry Grand Rounds, Allan Memorial Institute, January 14 2005.
  61. "Promoting effective evidence-based practices for people with severe mental illness", *Mental Health Reform for 21<sup>st</sup> century Canada: Getting there from here*, Queen's University, Kingston, Ontario, December 3 2004.
  62. « Résultats de l'évaluation du programme PACT du Centre Hospitalier Robert-Giffard », (*Results of the evaluation of the Robert Giffard PACT program*). Centre Hospitalier Robert-Giffard, Québec, November 17 2004.

### **F.2 Grant Reviews**

#### *F.2.1 Panel member or chair*

- |      |  |
|------|--|
| 2014 | Reviewer, CIHR Foundation grants Pilot, Stage I, Fall. (online process, approximately 2 days total). |
| 2014 | Panel member, CIHR HS3 committee, May 26 -27.  |
| 2013 | Panel member, Alberta Innovates – Health Solutions, Strategic Clinical Networks                      |

research grant applications, Edmonton, AB, November 18 – 20.

- 2009 - 2010 Panel member, Utilisation optimale des médicaments, Fonds de la recherche en santé du Québec (2 meetings, 2009 and 2010).
- 2004-2007 Chair, Health Services Evaluation and Interventions Research Committee B, Canadian Institutes of Health Research (Two meetings per year, each 2 days long)
- 2002-2004 Panel member, Health Services Evaluation and Interventions Research committee B, Canadian Institutes of Health Research (Total of 4 meetings, each 2 days long)
- 2001 Panel member, Special call for proposals, Ontario Mental Health Foundation and Ontario Ministry of Health and Long-Term Care (One meeting lasting 1/2 day)
- 2001 Panel member, Special call for proposals, Health Policy Research Program, Health Canada (One meeting lasting 1 day)
- 2001 Panel member, Clinical, evaluative, epidemiological, and operations research program, Fonds de la recherche en santé du Québec (FRSQ - *Québec Health Research Fund*) (One meeting lasting 2 days)
- 1999 Chair, Ontario Mental Health Foundation and Ontario Ministry of Health and Long-Term Care, Special call for proposals (One meeting lasting 1/2 day).
- 2000 Panel member, Canadian Health Services Research Foundation (Two meetings, each lasting 2 days)
- 1999 Panel member, Clinical, evaluative and epidemiological research program, FRSQ (One meeting lasting 2 days)
- 1998 Panel member, Optimal drug utilization program, FRSQ (One meeting lasting ½ day)
- 1997-1998 Panel member, National Health Research and Development Program (Two 2-day meetings)

#### *F.2.2 Ad hoc grant reviews, last 5 years*

*Ontario Mental Health Foundation (2014)*

*ANR France (2013)*

*National Institute for Health Research Programme Grants for Applied Research (UK) (2013, 2014)*

*Health Research Board, Ireland (2012)*

*McGill University Health Centre, Research Ethics Board (2011)*

### **F.3 Administrative responsibilities**

#### *F.3.1. McGill University*

2004-2005 Co-coordinator (with Diane Boivin), Psychiatry Department seminar series

#### *F.3.2 Douglas Institute (other than research theme direction roles listed on p. 2)*

- 2014 - Scientific Advisor, UETMIS (Unité d'évaluation des technologies et modes d'intervention en santé)
- 2012 - With Anne Crocker, activities (including contributing to the planning of a day-long event at the Douglas on September 4) related to the introduction of the RAI-MH evaluation tool at the Douglas
- 2012 Participation in meetings related to planning number of beds for the proposed new Douglas building
- 2011 - 2014 With Anne Crocker, activities related to planning for an UETMIS at the Douglas

#### *F.3.3 Other*

- 2002 - 2005 Co-coordinator (with Alain Lesage), FRSQ Services research theme, Réseau Santé Mentale et Neurosciences (*Mental health and neuroscience research network*)

### **F.4 Committees**

#### *F.4.1 Admissions committees*

- 2014, 2015 M.Sc.PH Admissions Committee, Department of Epidemiology, Biostatistics and Occupational Health
- 2000, 2011 M.Sc. Admissions Committee, Department of Epidemiology, Biostatistics and Occupational Health
- 2010 & 2012 Ph.D. Admissions Committee, Department of Epidemiology, Biostatistics and Occupational Health

#### *F.4.2 Promotions committees*

- 2012 - Psychiatry Department Promotions Committee

#### *F.4.3 Thesis examination, comprehensive examinations, thesis and protocol committees, since 2008*

1. Member of doctoral dissertation committee, Ayse Kuspinar, School of Physical and Occupational Therapy, *Development of a preference-based measure for Multiple Sclerosis: the Preference-Based Multiple Sclerosis Index (PBMSI)*. Defense on February 18, 2015.
2. Examiner, comprehensive exam, Sanyal Chiranjeev, Economic analysis of issues related to prostate cancer management, Department of Experimental Surgery, McGill University, December 19 2014.
3. Protocol evaluation committee, Miriam Kinkaid, "Estimating the effect of early intervention services and model fidelity on inpatient hospitalization and suicide in first-episode psychosis", Department of Epidemiology, Biostatistics and Occupational Health, McGill University, December 5 2014.
4. Pro-Dean, PhD thesis defense of Guo Jimin, Department of Internal Medicine, October 9 2014.
5. Proposal examination committee, Jonathan Jetté, University of Ottawa, May 15 2014.
6. Internal examiner, M.Sc., Kirsten Humbert, "Ministers as informal mental health care professionals", Department of Psychiatry, October 2013.
7. Pro-Dean, PhD thesis defense, Department of Biology, July 2012.
8. Internal examiner, M.Sc., Dasa Farthing, Validation of the Hayes Ability Screening Index (HASI) for intellectual disabilities among federal inmates in Québec, Department of Psychiatry, McGill University, July 2011.

9. External examiner, M.S.W., Amélia Fromage, *Évaluation d'un programme Individualisé de Placement de Soutien à l'emploi*, (*Evaluation of an Individualized Placement and Support Program*), Département de service social, Université du Québec à Chicoutimi, April 2011.
10. Internal examiner, M.Sc., Yuen Shan Stephanie Law, "Comparing the cost-effectiveness of different standardized tuberculosis treatment regimens in settings with varying prevalence of drug-resistant tuberculosis", Department of Epidemiology, Biostatistics and Occupational Health, McGill University, October 2010.
11. Internal examiner, M.Sc., Brendan Smith, "Life course, Socioeconomic Position and Type II Diabetes: The Experience of the Framingham Offspring Study", Department of Epidemiology, Biostatistics and Occupational Health, McGill University, September 2009.
12. External examiner, Ph.D., Chris Perlman, Use of the Resident Assessment Instrument - Mental Health to compare quality of care across Psychiatric Facilities, Faculty of Health Studies and Gerontology, University of Waterloo, August 27 2009.
13. External examiner, Ph.D., Sarah Ann Birnie, Department of Psychology, University of Ottawa, "A comprehensive costing analysis of intensive case management for individuals with severe mental illness and a history of homelessness, including cost-effectiveness as compared to standard care," August 2008 and February 2009.

#### *F.4.3 Other committees*

- 2013 - Member, Mouvement pour mettre fin à l'itinérance à Montréal (group of about 25 individuals, including homeless shelter directors, academics, representatives of the Chamber of commerce, the police, the City of Montréal, the South-West Borough, lawyers, etc.). The aim of this group is to lobby for Montréal to imitate other North American jurisdictions in formulating a 10-year plan to end homelessness. About 5 hours per month.
- 2013 - Invited expert, Permanent scientific committee, Institut National d'Excellence en Santé et Services sociaux (Québec counterpart to England's National Institute for Health and Clinical Excellence). Approximately 2 hours per month.
- 2009 – Community mental health advisory committee, Canadian Institute for Health Information. By November 2014, three day-long meetings in Ottawa plus occasional conference calls, and comments on draft documents.
- 2013 – 2014 Member, working group tasked to help develop practice guidelines for first episode psychosis clinics in Québec
- 2011 – 2013 Member, Permanent scientific committee, Institut National d'Excellence en Santé et Services sociaux (Québec counterpart to England's National Institute for Health and Clinical Excellence). Approximately 10 hours per month.
- 2010 – 2012 Member, Groupe d'experts provincial sur l'intégration au travail en santé mentale (*Provincial group of experts on vocational integration in mental health*). Approximately 3 hours per month.
- 2009 – 2010 Provisional Council, Institut National d'Excellence en Santé et Services sociaux. Approximately 8 meetings of 4 hours each.

- 2008 M.Sc. Committee, Department of Epidemiology, Biostatistics and Occupational Health. Approximately 10 hours of meetings altogether.
- 2007 - 2010 Institute Advisory Board, (Canadian) Institute for Health Services and Policy Research. Three 2-day meetings per year for three years.
- 2006 - 2007 Inter-faculty search committee for a health economist (Joint position between the Department of Economics and the Department of Epidemiology, Biostatistics and Occupational Health). Approximately 25 hours. (Successful search as Erin Strumpf, then Ph.D. candidate from Harvard, was ultimately hired.)
- 2006 - 2007 FRSQ representative, Comité de pilotage, Défi « Efficacité du système de santé », Conseil de la Science et de la Technologie du Québec. Approximately 25 hours.
- 2005 - 2006 Member, Joint strategic planning committee, Douglas Hospital and Douglas hospital research centre. Approximately 10 meeting hours.
- 2004 - 2007 Member, Table de concertation pour l'allocation inter-régionale des ressources en santé mentale (Provincial roundtable to develop needs-based inter-regional allocation formulas for mental health services). Also member of subcommittee to investigate methods to take research and teaching into account. Approximately 14 meeting hours per year.
- 2002 - 2007 Comité consultatif, Équipe PACT, Hôpital Robert-Giffard, Québec (Advisory committee for ACT team in Québec City psychiatric hospital). Approximately 12 meeting hours per year.
- 2002 - 2007 Management committee and Recruitment committee, Douglas Hospital Research Centre. Approximately 10 meeting hours per year.
- 2006 Mental Health and Addictions Report Editorial Committee, Canadian Institute for Health Information. Approximately 10 hours.
- 1999 - 2004 Co-chair (with Jacques Gagnon), Québec Hospital Association task force to promote the development of Assertive Community Treatment in Québec. Approximately 15 meeting hours per year

### **F.5 Professional societies**

- 2011 - Fellow of CIRANO (Center for Interuniversity Research and Analysis of Organizations, a Québec-based group of academic researchers including many economists)
- 2013 - 2014 Member of the executive and of the conference planning committee, Mental Health Theme Group, Canadian Association for Health Services and Policy Research (CAHSPR). Several conference calls in between annual meetings.
- 2012 – 2013 Past-chair and member of the conference planning committee, Mental Health Theme Group, Canadian Association for Health Services and Policy Research (CAHSPR). Several conference calls in between annual meetings.
- 2009 – 2012 Chair, Mental Health Theme Group, Canadian Association for Health Services and Policy Research (CAHSPR). Several conference calls in between annual meetings.
- 2006 - 2010 Treasurer, Canadian Association for Health Services and Policy Research (CAHSPR). Approximately 40 hours per year.

2005 - 2006 Member, Web site committee, CAHSPR. Approximately 6 meeting hours per year.

2004 - 2010 Member, Board of Directors, Canadian Association for Health Services and Policy Research (CAHSPR). Approximately 10 meeting hours per year.

## **F.6 Other professional and scientific contributions**

### *F.6.1 Organization of conferences and symposia*

1. Support for organization of Canada's Public Policy Forum invitational meeting, "Schizophrenia in Canada: Towards a more collaborative model of care", McGill University, April 23 2014.
2. Chair of the organizing committee, one-day conference on the Montréal Chez Soi project and its results, Montréal, November 29 2013.
3. Organizer, half-day conference on results of At Home/Chez Soi project, Douglas Mental Health University Institute, July 12 2013.
4. Member of the organizing committee, 2013 provincial conference on Intensive case management (Soutien d'intensité variable).
5. Chair of the organizing committee, half-day conference titled "Practices to support recovery", Douglas Institute, June 7 2012, featuring Professors Bob Drake and Gary Bond in addition to local speakers and panelists.
6. Co-organizer, with Hélène Racine, Director of Nursing, Douglas Institute, of half-day symposium on Strategies for improving quality in mental health services for people with severe mental illness, featuring as main speaker: Gary Bond, PhD, Chancellor's Professor, Indiana University Purdue University Indianapolis, Douglas Institute, May 4 2007.
7. Chair of the organizing committee, "Échange de connaissances entre décideurs et chercheurs en santé mentale au Québec: Vers des mécanismes plus efficaces" (*Knowledge exchange between decision-makers and researchers in mental health in Québec: Towards more effective mechanisms*), Douglas Hospital, Montreal, June 10 2005.
8. Chair of the organizing and scientific committees, Inaugural conference of the Canadian Association for Health Services and Policy Research, Montreal, May 25-28 2004.
9. Chair of the organizing committee, 2<sup>nd</sup> conference on Assertive Community Treatment, sponsored by the Québec Hospital Association, Montréal, November 21 2002.
10. Chair of the organizing committee, conference "Assertive Community Treatment: promise, issues and challenges in the Québec context," sponsored by the Québec Hospital Association, Montréal, March 26 1999.

### *F.6.2 Letters in support of applications for promotion of other faculty*

- 2014 University of Toronto Department of Psychiatry (3), U of T Department of Medicine (1), Dartmouth University, Geisel School of Medicine (1)
- 2012 University of Toronto Department of Psychiatry (1)
- 2006 Dartmouth University, Geisel School of Medicine (1)

*F.6.3 Other knowledge translation activities*

- 2012- Development of web pages for Chez Soi project on Douglas web site
- 2012 – 2013 Development of a 20-minute video on experiences of formerly homeless participants receiving IPS services as part of Chez soi sub-study (I sponsored and oversaw the development of the video but did not get involved in the details): <http://www.youtube.com/watch?v=22RgJ2oNbjA>. This was shown at our AQRP presentation on October 31.
- 2007 - 2008 Coordinator (with Jacques Rhéaume of the *Ministère de la Santé et des Services sociaux*), Joint activities of 3 groups involved with organizing training of staff of Assertive Community Treatment and case management programs (including *Groupe de soutien* named above), \$200,000 grant from the MSSS.
- 2004 - 2007 Chair, *Groupe de soutien au développement du suivi intensif en équipe* (Task force to promote the development of ACT in Québec). Approximately 15 meeting hours per year. Also involved in development of web pages on the Douglas hospital web site: [www.douglas.qc.ca/act](http://www.douglas.qc.ca/act)

*F.6.4 Invitations to think tanks, expert panels, etc.*

1. 2012 – Contributor (for invited expert consultation and for review of draft report) to the Commissaire à la Santé et au Bien-Être 2012 report on mental health services.
2. 2008 - Chercheur associé, *Centre national d'excellence en santé mentale*.
3. Editorial panel member, 2006 report on hospital mental health services, Canadian Institute for Health Information.
4. Invited participant, Think Tank on economic evaluation framework for primary health care, Canadian Alliance of Community Health Centre Associations and University of Toronto, Department of Health Policy Management and Evaluation, University of Toronto, March 21-22, 2006.
5. Expert panel member, Center for Mental Health Services/Substance Abuse and Mental Health Services Administration Decision Support Simulation Cost Efficiency Study, Rockville MD. March 30-31 2006.
6. Invited participant, advisory meeting, Reporting activities related to Hospital mental health database (HMHDB), Canadian Institute for Health Information, Aylmer, Québec, April 7 2006.

*F.6.6 Consultations, past 5 years*

1. MaRS in Toronto for SIB; consultation in UK as well for IPS Social impact bonds (March to November 2014). Approximately 12 hours.

2. Member of committee (chaired by Pierre Boyle) to prepare the Centre de recherche Fernand-Séguin for their FRSQ evaluation, January 2013. Approximately 15 hours.
3. Consultant to the Direction de la Santé Mentale, preparation of the new Plan d'action en santé mentale and comments on draft Plan, 2012 – 2014. Approximately 40 hours altogether.
4. Consultant to Individual Placement and Support sub-study of “Behavioural medicine and Organisation science Applied research Synergy in Trent region: a NHS and University collaboration for patient benefit”, Collaborations for Leadership in Applied Health Research AND Care, National Health Service, Nottingham, England, 2009 - 2013, £8,706,408. Approximately 15 hours per year.
5. Study on the economics of Individual Placement and Support, Dartmouth Psychiatric Research Center, Lebanon, NH, 2008 – 2010. Approximately 40 hours.

## **G. RESEARCH**

### **G.1 Research Activities**

#### *G.1.1 Past*

- Physician payment – especially incorporating practice expenses into a resource-based relative value scale
- U.S. – Canada health service use comparisons
- Economic evaluations of mental health policies and interventions
- Evaluations of Assertive Community Treatment (Evidence-based intervention for people with severe mental illness)

#### *G.1.2 Current*

- Evaluations, including economic evaluations, of mental health policies and interventions, especially the strengths model of case management, supported employment and Housing First interventions for people who are homeless and mentally ill
- Patterns of use and costs of antipsychotic medications

### **G.2 Personnel support awards**

2001 – 2005	FRSQ Chercheur-boursier Senior, \$188,264
1999 – 2001	FRSQ Chercheur-boursier Junior II, \$106,868

### **G.3 Research grants**

#### *G.3.1 Current*

1. **Latimer E**, McGregor J (co-PI), Campbell A, Malo D, « Services professionnels pour effectuer un dénombrement des personnes en situation d'itinérance à Montréal », Ville de Montréal (contract, competitively awarded, non peer-reviewed), November 2014 – June 2015, \$235,293
2. Temcheff C, Dery M, Kelly Martin A, **Latimer E**, Sougavinsky M, Xenocos S, “A Prospective, Longitudinal Study of Medical Service Usage comparing Boys and Girls with and without Conduct Problems”, Canadian Institutes of Health Research, September 2014 – August 2017, \$399,126.

3. Nicholls TN, Crocker A, Hwang S, **Latimer E**, Roy L, Somers J, “Examining the interplay between victimization, justice involvement and housing among homeless mentally ill men and women: A longitudinal study”, Canadian Institutes of Health Research, September 2014 – August 2019, \$774,960.
4. **Latimer E**, Bergeron-Leclerc C, Durbin J, Krupa T, Aubry T, Setliff A, Mayo N, Moodie E, Vallée C, Whitley R, “Evaluating the strengths model of case management for people with severe mental illness : A multi-province study”, Canadian Institutes of Health Research, April 2014 – March 2017, \$1,230,051.
5. **Latimer E**, Bonin JP, Crocker A, Dorvil H, Mayo N, Moodie E, Vallée C Whitley R, “Montréal Chez Soi follow-up extension”, Mental health commission of Canada, November 2013 – October 2015, \$500,000.
6. Tompa E, Ostry A, Neis B, Dewa C, de Boer C, McLeod CB, Breslin C, MacEachen E, **Latimer E**, Baril-Gingras G, and 28 others, “Income security and labour-market engagement: envisioning the future of disability policy in Canada”, SSHRC Insight grant, March 2013 – Feb 2020, \$2,760,782.
7. Strumpf E, Borgès Da Silva R, **Latimer E**, Ouimet M, Provost S, Tousignant P, “Are Primary Care Teams Effective? Evidence from Quebec's Family Medicine Groups on preventive care and from patients with multiple chronic conditions”, Canadian Institutes of Health Research, Operating grants, September 2012 – August 2015, \$393,546.
8. Hodgins, S, **Latimer E**, “The lifetime costs of criminal offenders: a Canadian study of a sample of males followed from age 6 to 30”, Social science and humanities research council, April 2012 – March 2015, \$240,196.
9. Hechtman, L, Grizenko N, Harvey WJ, Joobor R (co-PIs), Francoeur E, **Latimer E**, Schmitz N, “Efficacy of careful medication and tailored case management follow up treatment for children with attention deficit hyperactivity disorder”, Canadian Institutes of Health Research, Operating grants, April 2012 – March 2017, \$968,220.

### *G.3.2 Past*

1. **Latimer E**, Fleury MJ, Lesage A, Bonin JP, Crocker A, Dorvil H, Gagné J, Nielsen G, Vasiliadis HM, Hurtubise R, Morin P, Roy S, Bond GR, Drake RE, Becker D, “Research and demonstration project on mental health and homelessness – Montreal site”, Mental health commission of Canada, April 2009 – March 2014, \$3,333,350.
10. Vasiliadis, H-M, Drapeau M, **Latimer E**, Lesage A, “Assessing the system level costs and benefits of improving equity in access to psychological services for depression in Canada”, Canadian Institutes of Health Research, Operating grants, April 2012 – March 2014, \$180,180.
2. Malla A, Norman R, Joobor R, al-Maleki A, Schmitz N, **Latimer E**, Brown T, “A randomized controlled evaluation of “Extended specialized earlier intervention service” vs “regular care” for management of early psychosis over the five-year critical period”, Canadian Institutes of Health Research, Randomized clinical trials, April 2009 – March 2014, \$2,367,886.
3. Whitley R, **Latimer E**, “Recovery Centers for People with Mental Illness: Defining a Research Agenda”, Canadian Institutes of Health Research, Planning grants, June 2012 – May 2013, \$24,437
4. Strumpf E, Tousignant P, Borgès R, **Latimer E**, “Are Primary Care Teams Effective?”, Canadian

- Institutes of Health Research, Operating grants, April 2012 – March 2013, \$100,000.
5. Blais, R, Abrahamowicz M, Lachaine J, **Latimer E**, Tamblyn R, « Effets d'un retour à la gratuité des médicaments prescrits dans un régime d'assurance-médicaments public », Canadian Institutes of Health Research, April 2010 – March 2012, Operating grants, \$208,980.
  6. Vasiliadis, H-M, **Latimer E**, Préville M, 'The per capita excess societal costs attributable to common mental disorders and the inappropriate use of medication in the elderly living in the community', Canadian Institutes of Health Research, April 2009 – March 2012, Operating grants, \$179,478.
  7. Corbière M, Reinharz D, Goering P, Goldner E, Kirsh B, **Latimer E**, Lecomte T, "A Pan-Canadian Analysis of Programmatic, Organizational and Individual Aspects of Supported Employment Programs Implementation", Canadian Institutes of Health Research, Operating Grants, September 2009 – August 2011, \$223,343.
  8. Strumpf E, **Latimer E**, Tousignant P, "The effect of primary care on health care system outcomes: health services utilization, health care spending, and population health.", Canadian Institutes of Health Research, Operating grants, April 2009 – March 2012, \$315,167.
  9. Crocker A, Nicholls T, Seto M, Côté G, **Latimer E**, "Persons with mental illness and the operation and effects of the criminal justice system : Trajectories, treatment and disposition", Mental Health Commission of Canada, September 2008 – August 2012, \$731,920.

  25. **Latimer E**, “Le modèle IPS d’insertion au travail des personnes atteintes de troubles mentaux graves: État de la situation”, Agence d’Évaluation des Technologies et Modes d’Intervention en Santé, January 2001 - July 2001, \$9,600.
  26. McCusker J, Cole M, Primeau F, Élie M, **Latimer E** “The prognosis of major and minor depression in elderly medical inpatients,” Medical Research Council, October 2000 – September 2003, \$248,931.
  27. **Latimer E**, McCusker J, Cole M, Primeau M, Élie M, “Cost-effectiveness of intervention to identify and treat depressed elderly inpatients”, Medical Research Council, May 2000 – April 2002, \$57,780.
  28. **Latimer E**, McCusker J, Cole M, Primeau M, Élie M, “Cost-effectiveness of intervention to identify and treat depressed elderly inpatients”, Fonds de la Recherche en Santé du Québec, May 2000-April

2002, \$4,789 (complement to MRC funding above).

29. **Latimer E**, Zarowski C, Boisvert M, “Intensive case management of the seriously mentally ill: respective roles of hospital-based and community-organization-based programs”, joint program of the Québec Health Research Fund, the Québec Social Research Council, and the Québec Ministry of Health and Social Services, May 1999 – April 2001, 128 926 \$.
30. Mercier C, Caron J, **Latimer E**, “Evaluating the impact of communicating research results to mental health treatment teams”, joint program of the Québec Health Research Fund, the Québec Social Research Council, and the Québec Ministry of Health and Social Services, May 1999 – April 2001, 99 471 \$.
31. Zarowski C, **Latimer E**, “To live together or apart: A study to assist families and their mentally ill relatives in choosing a home”, Health Canada grant, Project 4833-05-95-00179, via AMI-Québec, June 1999 – May 2000, \$16,000.
32. Co-investigator (Laurence Kirmayer, P.I.), “Development and evaluation of cultural consultation service in mental health”, Health Transition Fund, October 1998 – September 2001, 431,298 \$.
33. **Latimer E**, Mercier C, Perreault M, “Cost-effective Implementation of Assertive Community Treatment for Persons with Severe and Persistent Mental Illness,” Medical Research Council, April 1999 – March 2002, 154,323 \$ (declined due to overlap with NHRDP grant).
34. Pedersen D, Zarowski C, Piat M, **Latimer E**, “The impact of psychiatric services restructuring (*virage ambulatoire*) on caregiver experience and caregiving networks in South-West Montreal”, Québec Social Research Council, March 1999 – February 2001, \$76,110.
35. **Latimer E**, Mercier C, Perreault M, “Cost-effective Implementation of Assertive Community Treatment for Persons with Severe and Persistent Mental Illness,” National Health Research and Development Program, December 1998 – November 2001, 139,119 \$.
36. **Latimer E**, Mercier C, Perreault M, Farquar J, “Integrated service delivery to the seriously mentally ill in their own living environment,” Health Transition Fund, April 1998 to September 2000, 174,808\$.
37. **Latimer E**, Mercier C, Perreault M, “Evaluation of an Assertive Community Treatment program for persons with severe and persistent mental illness,” Québec Social Research Council, April 1998 – March 2000, 107,132\$ (declined due to overlap with Health Transition Fund grant).
38. Brown T, Dongier M, **Latimer E**, Seraganian P, Kokin M, Ross D, “Brief intervention for substance abusers: From a naturalistic to experimental research investigation” (Tom Brown, P.I.) Québec Social Research Council, April 1998 – March 2001, 136,000\$.
39. Greenfield B, Hechtman L, Larson C, **Latimer E**, “The Effectiveness of a Crisis Team for Suicidal Adolescents» (Brian Greenfield, P.I.), National Health Research Development Program, August 1996 – October 2000, \$159,485.<
40. Tamblyn R, Mayo N, Hanley J, **Latimer E**, McLeod P, Grad R, Huang A, Perreault R, “Évaluation du régime général d’assurance-médicaments,” (Robyn Tamblyn, Principal Investigator), Medical Research Council of Canada, February 1998 - January 2000, \$33,796.
41. Co-Investigator, “Évaluation du régime général d’assurance-médicaments,” (Robyn Tamblyn, Principal Investigator), Ministère de la Santé et des Services Sociaux et Fonds de la recherche en santé du Québec, June 1997 – December 1998, \$99,921.

42. Co-Investigator, "Derivation of Relative Values for Practice Expense Using Extant Data," (Dan Dunn, Principal Investigator), Health Care Financing Administration, 1995-1996.
43. Co-investigator, "Technical Assistance in Support of Health Care Reform in Colombia," (William Hsiao, Principal Investigator), Inter-American Development Bank, January 1995 – February 1996.
44. Co-investigator, "The Analysis and Assessment of Methods of Health Risk Adjustment" (Daniel L. Dunn, Principal Investigator). Society of Actuaries, October 15 1994 – June 30, 1995.
45. Principal Investigator, "Examination of Alternative Methods for Calculating Relative Values for Practice Expense". Health Care Financing Administration, July 1, 1993 - October 31, 1993, US\$91,616.
46. Co-investigator, "U.S.-Canadian Differences in the Use and Costs of Physician Services" (W. Pete Welch and Steven J. Katz, Co-Principal Investigators). Robert Wood Johnson Foundation, July 1, 1993 - December 31, 1994.
47. Co-investigator, "Costs and Outcomes of Evolving Consumer Households" (Barbara Dickey, Principal Investigator), National Institute of Mental Health, May 1, 1993 – April 30, 1995.
48. Co-investigator, "A Feasibility Study for an Integrated Simulation Model of the U.S. Health Care System" (William Hsiao, Ph.D., Principal Investigator), Robert Wood Johnson Foundation, July 1, 1992- June 30, 1993.
49. Co-investigator, "Evaluation of New York City Cluster Care Demonstration" (Penny Hollander Feldman, Ph.D., Principal Investigator), Robert Wood Johnson Foundation, 1990-1993.
50. Principal Investigator, "Effects of Increased Auto Safety Belt Use on Fatalities", Insurance Institute for Highway Safety, 1987-1988, US \$5,000.

## G.4 Publications

### G.4.2 Articles in peer-reviewed journals

(Note: \* denotes publication by a student under my supervision or co-supervision.)

#### Submitted

1. Roy L, Crocker A, Nicholls T, **Latimer E**, Isaac C, "Profiles of criminal justice system involvement of mentally ill homeless adults", submitted January 2015.
2. Poremski D\*, Rabouin D, **Latimer E**, "A randomised controlled trial of evidence based supported employment for people who have recently been homeless and have a mental illness", submitted March 2015.

#### In revision

1. Aubry T, Goering P, Veldhuizen S, Adair C, Bourque J, Distasio J, **Latimer E**, Stergiopoulos V, Somers J, Streiner D, "A Randomized Controlled Trial in Five Canadian Cities of the Effectiveness of Housing First with Assertive Community Treatment for Persons with Serious Mental Illness and a History of Homelessness", *Psychiatric services*, in revision, March 2015.

2. Poremski D\*, Braithwaite E, Nisenbaum R, Stergiopoulos V, Distasio J, **Latimer E**, "Effects of Housing First on employment and income of homeless individuals: results of a randomized trial.", *Psychiatric services*, in revision, March 2015.
3. Vasiliadis, HM, Lesage A, **Latimer E**, Séguin M, "The costs and benefits associated with population suicide prevention programs", *Journal of Mental Health Economics and Policy*, in revision, February 2015.

#### Accepted or in press

4. Poremski D\*, Whitley R, Latimer E, "Building trust with people receiving supported employment and Housing First services", in revision, *Psychiatric Rehabilitation Journal*, December 2014.
5. #### G.4.6.2 Presentations at scientific conferences (with peer review)

##### ***G.4.6.2.a – Local and National***

1. “A closer look at the At Home/Chez Soi economic findings to date”, Canadian Economics Association – Progressive Economics Forum (part of a session on homelessness and At Home/Chez Soi including James Hughes, Stephen Gaetz and Cameron Keller), Montréal, May 31 2013.
2. (With Angela Ly), “Economic impacts of a Housing First intervention for Homeless People with Mental Illness: Preliminary 1-year results of the Chez Soi / At Home project in Montreal,” Canadian Association for Health Services and Policy Research, Vancouver, BC, May 30 2013.
3. (With Angela Ly), “Economic impacts of a Housing First intervention for Homeless People with Mental Illness: Preliminary 1-year results of the Chez Soi / At Home project in Montreal,” Canadian Psychiatric Association, Montreal, Québec, September 29 2012.
4. “Identifying Effective Lower-Intensity Case Management Programs for Service Systems that Include Assertive Community Treatment: Literature Review”, Canadian Association for Health Services and Policy Research, Halifax, NS, May 11 2011.
5. “Le soutien d’intensité variable à l’heure du rétablissement: Que peut-on conclure à partir de la littérature scientifique? » (Case management in an era of recovery : what can we conclude from the scientific literature?), Association canadienne-française pour l’avancement des sciences (ACFAS: French-Canadian Association for the Advancement of the Sciences), Montreal, May 10 2010.
6. “Economic impacts of Housing First approaches for people with severe mental illness who are homeless : A (preliminary) review of the literature”, Rethinking Homelessness Conference, Montreal, October 27 2010.
7. “Effects of introducing then removing cost-sharing for drugs among people with schizophrenia in Québec: A natural experiment”, Canadian Health Economics Study Group, Montreal, May 27 2010.
8. (With Paula Goering and Carol Adair), “Housing the Homeless with Mental Illnesses: Intervention Research when your “Lab” is a Country”, Canadian Association for Health Services and Policy Research, Toronto, May 13 2010.

9. “Differences in antipsychotic prescribing patterns between psychiatrists and generalists in Québec: Implications for mental health care reform”, Canadian Association for Health Services and Policy Research, Toronto, June 12-14, 2007.
10. Latimer E, Wynant W, Clark R, Malla A, Moodie E, Tamblyn R, “Differences in antipsychotic prescribing patterns between psychiatrists and generalists in Québec: Implications for mental health care reform”, Canadian Association for Health Services and Policy Research, Toronto, June 14 2007.
11. “Individual Placement and Support to help people with severe mental illness find and maintain competitive employment: preliminary results of the first Canadian randomized trial”, Canadian Association for Health Services and Policy Research, Montreal, May 28 2004.
12. “Applicability and costs of evidence-based supported employment in Canada: Transposing U.S. results to the Québec context”, Canadian Academy of Psychiatric Epidemiology, October 29, 2003.
13. “Process Measures, and Clinical and Economic Outcomes of a High-Fidelity Assertive Community Treatment Program in Montreal”, Canadian Health Economics Research Association, Halifax, May 26, 2002.
14. “Le suivi intensif en équipe dans la communauté comme stratégie d’intégration des services”, ACFAS, Sherbrooke, May 16, 2001.
15. “Le modèle ‘Individual Placement and Support’ pour l’intégration au travail des personnes atteintes de troubles mentaux graves: revue de la littérature et perspectives d’adoption au Québec”, ACFAS, Sherbrooke, May 15, 2001
16. “Evaluation of the Douglas Hospital’s PACT Program: Preliminary Results”, Club de Recherches Cliniques du Québec, Bromont (Québec), September 30, 2000.
17. “Differences in resource use and costs between two alternative mental health service delivery models for suicidal adolescents presenting at the emergency room”, Canadian Evaluation Society Meetings, Montreal, May 14-17, 2000.
18. “Economic impacts of assertive community treatment: a review of the literature”, Canadian Psychiatric Association, Toronto, Ontario, September 16, 1999.
19. “Economic impacts of assertive community treatment: a review of the literature”, Canadian Health Economics Research Association, Edmonton, Alberta, August 19, 1999.
20. “Is \$16.67 per month too much? Net economic impact of Québec’s reduction in drug insurance coverage as it affected mentally ill welfare recipients,” Canadian Health Economics Research Association, Edmonton, Alberta, August 21, 1999.
21. (with Daniel Gélinas) “Assertive Community Treatment: review of the literature”, annual conference of the Québec Psychiatric Association, Aylmer, June 17 1999.
22. «Impact économique net du régime général d’assurances-médicaments en regard des prestataires de la sécurité du revenu atteints de maladies mentales», *Colloque annuel du réseau FRSQ sur l’utilisation des médicaments*, Sherbrooke, May 25 1999.
23. “Utilization of physician services at the end of life: Differences Between the U.S. and Canada”, Canadian Health Economics Research Association, Ottawa, Ontario, August 22 1997.

***G.4.6.2.b – International***

24. (with Angela Ly and Daniel Rabouin) “Looking at the At Home/Chez Soi Research and Demonstration study through an economic lens”, Housing First Partners conference, Chicago, IL, March 12 2014.
25. “Economic and other impacts of Housing First in the Canadian At Home/Chez Soi study,” (part of a session delivered with Stephen Hwang), American Public Health Association, Boston, MA, November 4 2013.
26. “Cost offsets from the At Home/Chez Soi Canadian Housing First Research and Demonstration Project”, International Homelessness Research Conference, Philadelphia, June 4 2013.
27. “Economic impacts of a Housing First Intervention for Homeless People with Mental Illness”, Eleventh Workshop on Costs and Assessment in Psychiatry – ICMPE, Venice, March 23 2013.
28. (with Angela Ly) “Economic impact of a Housing First intervention for Homeless People with Mental Illness: Preliminary 1-year results of the Chez Soi / At Home project in Montreal”, Health Technology Assessment International conference, Bilbao, Spain, June 25 2012.
29. (as part of panel with Paula Goering, Cam Keller, and Jijian Voronka), “Central local-dynamics [in the At Home/Chez Soi project] from the perspective of a local site”, American Evaluation Association, Anaheim, CA, November 5 2011.
30. “Costs and cost-effectiveness of the individual placement and support (IPS) model of supported employment : a review of the literature”, World Psychiatric Association, Buenos Aires, September 21 2011.
31. Latimer E, Rabouin D on behalf of the At Home/Chez Soi Project Team, “The At Home/Chez Soi Canadian Study of Housing First for People who are Homeless and Mentally Ill: Study Design and Baseline Data for the Montreal Site”, World Psychiatric Association, Buenos Aires, September 20 2011.
32. Latimer E, Rabouin D, “Identifying effective lower-intensity case management programs for service systems that include assertive community treatment: a review of the experimental and quasi-experimental literature”, World Psychiatric Association, Buenos Aires, September 21 2011.
